

Dear Members,

It was nice to have a full house this month and lovely to catch up on what everyone had been doing during the summer period.

If you do happen upon a miniatures shop or museum or event whilst you are out on your travels please let the club know about them so that we may visit in the future, or maybe organise a group outing sometime.

I do hope you have now completed your 1/48th cottages. Please bring them along to our next meeting so we can all see the finished result, and Paul will take some photos. There are a few more kits available to buy at the special club price.

I have now confirmed that the Dolls House Group will attend the Huddlesford Gathering on Sept. 19th & 20th. Olivia, Jackie, Tina and Beryl have kindly offered to 'man' the stall for the WW1 display. Paul & I will set up the display but will be elsewhere most of the time. If anyone else can come along either day it would be a help so the others can take a break and have a look at the colourful narrow boats and classic cars. It is a nice event and could give us some ideas for future projects. It has spurred me on to make some more Canal People peg dolls and to make a diorama for them.

See www.lhcrt.org.uk/hhgnews.htm

Beverley

Happy Birthday Wishes
Beverley, and Doreen
with birthdays in August

My first Canal people peg dolls. I made these for 'The Book Barge' which can be found moored at Barton Marina

August meeting

No apologies - a full house!

The evening was busy making Christmas items for ourselves and for our sister clubs abroad. There was lots to do so the evening flew by. Pat instructed us well in this venture and next month Gaynor will be doing the second part of the project, so we look forward to that.

Olivia has been having a sort out and has decided not to do 12th scale any longer because of the lack of room and to concentrate on the smaller scales. She kindly donated a large amount of items to club members for their own use. There were lots of 'oohs and ahhs' and comments such as 'thats just what I have been looking for'. Thank you Olivia.

The raffle collected £10.50 and the winners were Bev and Karen.

Some more completed miniature Fabergé eggs

From your Hon. President – August 2015

Hi All

Firstly I would like to thank you all, yes all – the whole membership - that attended club in July for the making of our Christmas gifts for our sister clubs.

Pat did a magnificent job from start to finish – from the time I presented her with the thistle “pin” and asked “What can we do with this?” to the preparation and presentation of everything needed for our workshop.

Now it is up to me to ensure we complete our project in September to show off our gifts to their best! Please remember to bring along your own samples next meeting together with your usual workbox kit to include scissors, sharp pencil, ruler, pointy tool/scorer and glue. Everything else will be provided.

See you in September

Gaynor

Email: gaynor.fryer@talktalk.net

Next Meeting

September 16th ‘Something Festive’ continued with Gaynor

Bring your usual workbox kit to include scissors, sharp pencil, ruler, pointy tool/scorer and glue.

Also bring along your completed Petite Properties 1/48th cottages.

We will also have a cake to accompany our refreshments as it is the club’s 17th birthday.

Dates for your diary

Sept 6th Stafford Dolls House Fair

Sept 19th & 20th Huddlesford Heritage Gathering, our WW1 display.

October 3rd & 4th Miniatura at the NEC

Up to 8th November Small Worlds Exhibition, No. 1 Royal Crescent, Bath
