

Dear Members,

Dear Members,

Here I am thinking that we have said good bye to the winter and yet as the saying goes "ne'er cast a clout till May is out". Well, it certainly has been cold of late which gave me the opportunity to do more miniature work and look for ideas for things to make during our future club evenings and possible projects. I also had a tidy up of my craft area now I can see my desk, well a bit more of it.

This year, several of our members will have landmark birthdays. As September is club birthday month we could use it to celebrate the birthdays by making something special, perhaps some flowers or a plant or maybe a garden project. We could have a special raffle and hold a show of work. Any thoughts?

Our good wishes go to Thelma who couldn't be with us. Unfortunately earlier this month she took a tumble and broke her wrist and nose so she is unable to make miniatures for awhile. I hope that she will be able to join us again soon.

Beryl and Ann busy making their Jack-in-the-boxes

April Meeting.

We were reduced in numbers this month as Thelma, Doreen, Louisa and Kandie were not able to be with us.

This month Kim supplied us with a kit to make a Jack in the Box which continued our toy theme. She showed us how to make up the box and a Jack to fit inside. We were kept busy making them. Thanks go to Kim for her patience and her instruction and supplying the kits.

Next month.

Beryl will be guiding us through the steps of flower making with punch cut outs and wire. Kits will be supplied but bring your usual work box too.
