

Dear Members,

As autumn approaches thoughts of Halloween and dare I say it Christmastime celebration springs to mind. The September meeting on the 18th will be making something for Halloween with Kim.

I am sorry I am a bit vague but I have had a rather a busy time over the last month and the coming months will be even busier with family and other commitments.

I hope you managed to get to the Stafford Dolls House Fair on the 1st but if not make a date for the autumn Miniatura on 5th-6th October. I haven't been for awhile as other things keep getting in the way but I really must try to get there this time.

There will be cakes with our coffee this month as I came of age recently so I will bring some to celebrate.

Birthdays in August - Doreen and Bev, and in September, Kim and Ann. Many happy returns

August Meeting.

Apologies : Thelma

This month we continued our theme of gardening items. Kandie taught us how to make a plant pot or bowl from string and glue. This method was a quick simple and effective way of using the fine string or cord. If using a multi coloured string the patterns were very pretty. Thanks go to Kandie for showing us how to make these items.

Next month, September we will be making something for Halloween with Kim or it could be a sewing basket. Bring your craft box with glue etc. Kim will supply kits.

The bead is used as a mould and foil stops the glue sticking to the bead. The effect of using string or coloured thread can be seen here.

Beverley

This is Kandie's house and garden which she made totally out of scraps of cards, beads and bits left over from other projects. Sometimes she goes to Cannock Market where she has bought bags of broken necklaces and other useful oddments.

Next Meeting: September 18th. 2019

Kim will be showing us how to make something for Halloween.
You will need glue and work box.

Dates for your diary

October 5th - 6th. Miniatura - Autumn Show
 NEC Birmingham

I was in the mood for a wedding having just returned from my Nephew's! For lack of something else to put in here is a Bride & Groom I made a few years ago.
