

*Dear Members,*

Already the last meeting for 2019 has reached us and maybe a time to reflect on things we have made and ideas of things to do. Our miniature club 'makes' for this year covered a variety of themes from a toy box and toys to gardening items to a sewing box and notions to witches/fairy doors and cobwebs and finishing up with a Christmas sledge and items to put on it. A nice collection which covered a few different crafts from sewing, macrame, flower making, toy making. I wonder what 2020 will bring.!

I have booked the room for the coming year, I just have the bill to pay which I will sort out before Christmas. I will do a set of accounts for you to see.

My friend Margaret had a lovely time at the club and wishes to thank you all for making her welcome, she was pleased with the Christmas sledge that she managed to make.

We wish you all a very happy Christmas and see you all in the New Year 2020.

*Beverley* 

## November Meeting.

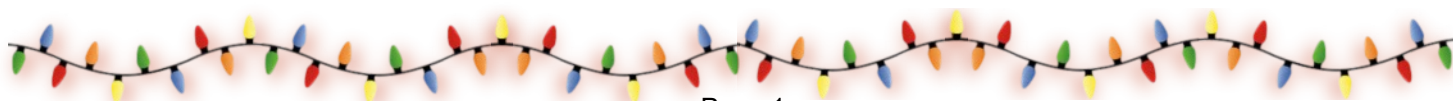

Being the 'Christmas meeting' this month we busied ourselves by making a Christmas sledge. Bev made up kits with the help from Paul who used his 3D printer to make the skis for the sled. Bev showed how to assemble the kit and then we all used our imagination to decorate them with sparkly bits and pieces. Thanks to Kandie for providing some little packages and silver trees to finish off the scene.

As it was our final meet for the year we enjoyed a little feast of Christmas food with our coffee which made it more special.

Bev then gave out a Christmas gift to all the members of the club with instructions that it was not to be made up until we next meet in January. So please bring it with you along with your work box that includes glue, scissors, tweezers etc.

The next meeting will be on January 15th 2020.

Club fees will also be due. Cheques must be made payable to 'THE ONE TWELFTH CLUB' for £12, or bring me £12 in cash.

## Next Meeting: January 15th 2020

Bring your Christmas gift kit, no peeking before December 25th!

You will need your usual work box.

## Dates for your diary

January 12th

Stafford Dolls House Fair  
County Showground ST18 0BD

*Everyone added their own finishing touches.*

*Louisa added a ribbon to make a tree decoration.*
