Dear Gaynor

I am writing on behalf of the Lichfield Heritage Centre to thank you and the members of the 1/12<sup>th</sup> Club for their wonderful contributions to our exhibition. Their models have been very much admired by our visitors, especially the children.

Please will you also pass our special thanks to Kim and Thelma for running the Peg Doll workshop. The children really enjoyed making the dolls and produced some lovely work.

May I also remind you that we need to clear the exhibition cases on Monday 6<sup>th</sup> September in readiness for our next exhibition.

We would be very grateful if your members could call in to the Centre on that morning from 10.00am to 1.00pm to take their models away.

We will be very sad to see them go, they are so lovely to look at. Unfortunately, we have to make way for our next project .

Thank you very much for all your help

Very best wishes
