

Dear Members,

Firstly, apologies. This month's news letter is a bit late as I have just celebrated my birthday (thank you for the e-card) and on the spur of the moment we booked a holiday in Lanzarote for some last minute sunshine. Whilst there we came across a nicely made miniature replica of the old capital of the island, Teguise, which was displayed at the pirate museum in the castle in Teguise. A nice surprise, you never know what to expect when out and about.

I was sorry to have missed the Stafford Dolls House show at the beginning of September, I do hope that you managed to get to see it and stock up on supplies and get ideas for things to make. Don't forget that it will soon be time for Miniatura (22/23rd Sept.). I could not see a date for Bantock House Dolls House Fair this year.

August meeting

Apologies : Kim, Gaynor, Jill, Beryl, and Pat.

Our numbers were still small this month as a few of us were on summer holidays but it was good to welcome Brenda Baker to the club. She had found us on the net and decided to come along and find out about the club. Hopefully she enjoyed her evening with us and will join the club.

More handbags this month, Ann G. provided us with printed kits and papers with instructions on making stylish handbags. She also brought along some beach bags made from canvas she will show us how to make this at a future date. We are now getting a small collection together so maybe we should make a shop project. Thank you Ann for another interesting evening.

Dear Fellow Members,

I was sorry not to be with you last month, who knew going on a cruise and celebrating John's 70th birthday would be so exhausting!

And now we have our 20th birthday celebrations. I have managed to get in touch with some past members that will be along to visit us on the night. It should be great fun.

Please look through your collection for projects you can transport fairly easily for show. Beverley will give more details.

PLEASE could you bring along a wine glass – for yourself - and perhaps an extra one for a guest? (It will be alcohol free wine so drivers can celebrate as well.)

See you Wednesday 19th September then

Next Meeting: September 19th. 2018

I am getting a plan together for our celebration 20th Birthday party for our next meeting. We have an extension - we will be able to set up from 7 o'clock and be cleared away by 10pm.

There will be a Display of Work, please bring a selection of things that you would like to show.

There will be a Birthday cake, some non alcoholic drink plus tea and coffee. Please could you contribute something food wise for the party table, and would you let me know what you intend to bring.

If you have any items that you would like to sell then we could have a 'Sale table'.

A special prize raffle could be held to raise funds. Any ideas? let me know.

I may be on holiday... but I can always find some miniatures!

This one is an old model of Teguisse in the Museum of Piracy in the Castillo de Santa Barbara.
